

INSTITUTO DE ESTRADAS - CABO VERDE

REQUEST FOR EXPRESSIONS OF INTEREST (INDIVIDUAL CONSULTANTS SERVICES)

CABO VERDE

TRANSPORT SECTOR REFORM PROJECT-TSRP

Credit No.: IDA 6100 - CV

**Assignment Title: Climate Change Adaptation & Disaster Risk Management
Technical Advisory Consultant.**

Reference No. TSRP-C061

The Republic of CABO VERDE has received financing from the World Bank toward the cost of the Transport Sector Reform Project-**TSRP**, and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include assist the Road Institute in (i) the evaluation of proposals received for the provision of consulting services to prepare a climate change and natural hazard vulnerability and risk assessment and climate resilience and adaptation strategy for Cabo Verde’s road network; and (ii) provide ongoing technical support for the duration of the study.

The consultant will utilize specialist knowledge and expertise in climate resilience and experience in risk and vulnerability assessment to;

- (i) Develop sub criteria for the Climate Change Adaptation (CCA) and Disaster Risk Management (DRM) components of the evaluation in conformity with the criteria given in the Request for Proposals (RFP)
- (ii) Develop a suitable scoring system, assigning marks to sub criteria and to match the marks given in the RFP
- (iii) Introduce the formats to the appointed evaluators
- (iv) Hold discussions, meetings and review the work of the evaluators, and make any necessary changes in consultation with them
- (v) Review reports and deliverables provided by the consultant and provide feedback to the GoCV
- (vi) Participate in workshop/consultations with stakeholders

The Consultant is expected to provide the following working-day inputs:

Ten working days in-country (indicative): Consultant to be stationed in Cabo Verde, covering items (i) to (iv) and (vi) above. This input will commence at the start of the assignment. The Consultant may work in-country, as required, on (v) for the duration of the assignment.

Fifteen working days from home office (indicative): Consultant shall have the option of working from home office to prepare and submit written input for the Technical Evaluation

Report (TER) to the Road Institute, provide remote advice to the selection panel as needed as well as prepare the brief final written report. The Consultant will provide written comments and feedback to the GoCV on the specific deliverables of the study: inception report, mid-term report, draft final report, and final report. He/she will also participate in consultations with stakeholders/workshop. The Consultant will be expected to provide interactive and regular support remotely for the duration of the study.

The Road Institute (IE) now invites eligible **Individual Consultants** (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The CV will be evaluated for the qualification and experience of the candidates in accordance with the following criteria:

(i) Specific experience relevant to the assignment

- At least 10 years of relevant professional experience out of which at least eight years should comprise international work experience focused on Climate Change Adaptation (CCA) and/or Disaster Risk Management (DRM) issues (most of which should come from working for donor agencies in the recent past on projects of similar nature and magnitude); and
- Substantive experience evaluating or developing complex methodologies for CCA/DRM analytical work and/or technical assistance.

(ii) Qualifications and competence for the assignment

- Degree in Engineering, Science or equivalent and a post graduate qualification covering climate change studies

(iii) Specific experience in transfer of knowledge and skills to counterpart staff

- Proven record of providing technical guidance to counterpart staff in climate change and natural hazard vulnerability assessments/climate resilience/adaptation strategies, etc.
- Portuguese language skills would be an advantage.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank’s *Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers* January 2011 Revised July 2014 (“Consultant Guidelines”), setting forth the World Bank’s policy on conflict of interest.

Consultants may associate with other consultants in the form of a joint venture or a sub consultancy to enhance their qualifications.

A Consultant will be selected in accordance with the Individual Consultants Selection method set out in the Consultant Guidelines.

Further information can be obtained at the address below during office hours 0900 to 1200 hours, local time.
